INTERNATIONAL SEARCH REPORT

(PCT Article 18 and Rules 43 and 44)

Applicant's or agent's file reference		or agent's file reference	FOR FURTHER ACTION		tification of Transmittal of International Search Report PCT/ISA/220) as well as, where applicable, item 5					
International application No. PCT/US03/36705			International filing date (day/month/year) (Earliest) Priority Date (day/m 17 November 2003 (17.11.2003) 15 November 2002 (15.11.200							
Applicant REGENTS OF THE UNIVERSITY OF CALIFORNIA										
applic This is	nterna	tional search report consists It is also accompanies The Report With regard to the language, anguage in which it was filed	the international search was carried, unless otherwise indicated under	ument cited	Bureau. d in this report. e basis of the inter	rnational application in the				
b.		the international search was carried out on the basis of a translation of the international application furnished to this Authority (Rule 23.1(b)). With regard to any nucleotide and/or amino acid sequence disclosed in the international application, the international search was carried out on the basis of the sequence listing:								
		contained in the international application in written form.								
		filed together with the international application in computer readable form.								
		furnished subsequently to this Authority in written form.								
į		furnished subsequently to this Authority in computer readable form.								
		the statement that the subsequently furnished written sequence listing does not go beyond the disclosure in the international application as filed has been furnished.								
		the statement that the information recorded in computer readable form is identical to the written sequence listing has been furnished.								
2.		Certain claims were found unsearchable (See Box I).								
3.	I/ith =	Unity of invention is lacking (See Box II).								
4. \		egard to the title, the text is approved as submitted by the applicant.								
Ĭ		the text has been established by this Authority to read as follows:								
L		are tokt has book established	a by this reducine, to roud as rone							
5. \	With r	egard to the abstract,								
	\boxtimes	the text is approved as submitted by the applicant.								
[the text has been established, according to Rule 38.2(b), by this Authority as it appears in Box III. The applicant may, within one month from the date of mailing of this international search report, submit comments to this Authority.								
6. 1	The fig	rure of the drawings to be pu	blished with the abstract is Figure	No	_					
[as suggested by the applicar	unt. None of the figures							
[because the applicant failed	nt failed to suggest a figure.							
		because this figure better ch	naracterizes the invention.							

Form PCT/ISA/210 (first sheet) (July 1998)

.. INTERNATIONAL SEARCH REPORT

International application No.:
